The recipient's school of choice must be exempt from federal income tax under Section 501 (c) (3) of the Internal Revenue Code. The institution must be an educational organization that normally maintains a regular faculty and

curriculum and normally has a regularly enrolled body of pupils or students in attendance at the place where its educational activities are regularly carried on. To the extent the institution is involved in the selection of the recipients (if at all), such involvement must comply with the Fund's policy of awarding scholarships on an objective and non-discriminatory basis as well as the Fund's Conflict of Interest Policy.

All recipients must be full-time each semester and working toward an undergraduate degree.

Q: What if I am unable to attend consecutive semesters?

A: Extenuating circumstances requiring a student to sit out a semester must be explained in writing to CSA. You will be notified of the final decision. If a recipient is out for a semester, then that semester is forfeited.

Q: How are winners selected?

A: An Awards Advisory Committee will consider the respective ability, educational goals, financial need and career ambitions of each applicant.

Dick and Lucille Hendley finalists will be expected to interview with a committee via zoom.

Q: How will I be notified if I am chosen as a recipient?

Q: Is this scholarship renewable?

A: The Dick and Lucille Hendley Scholarships and the Rick Vieth Scholarship are nonrenewable and are for one year only.

The SC Jr Golf Scholarships, **The Terry Florence Scholarship and The Jackie Seawell Scholarship** may be renewable for up to (3) three consecutive additional years of undergraduate work (four years total), or until a bachelor's degree is awarded, whichever is earlier. Current recipients will receive information on the renewal process from CSA. The scholarship will be renewed based on:

(a) availability of funds;
(b) student remains in good standing with the institution;
(c) student maintains the required minimum cumulative GPA;
(d) student is enrolled full time, and,
(e) student applies by the deadline for renewal of the scholarship.

Current recipients who fail to comply with requirements B, D, and E may lose their scholarship permanently. If a scholarship is renewed for an academic year and any semester is not used within that year then it is forfeited. A GPA falling below the required minimum of 2.75 on a 4.0 scale at the end of ANY semester may result in a decision not to honor the award for the subsequent semester. If this is the decision, then the award is terminated on a permanent basis and the student will not be allowed to apply for renewal at any time in the future. However, if a decision is made to honor the award and it is paid for the subsequent semester, then the student will be allowed to apply for consideration of renewal provided the GPA is at the required level at the end of the semester in question. Once a scholarship goes into effect, grade reports will be required at the end of the Fall semester. The grade report must include the name of the student, name of the college and the student's social security or identification number. It is the responsibility of the recipient to request the grade report. An official transcript will be required at the end of the Spring semester. The transcript must reflect the name of the student and name of the college. It is the responsibility of the recipient to request the transcript.
